New Year's Eve Masquerade Party at Post 291

ARMY COMMANDER DOUG NYE

Comrades,
Happy 2017 Post 291!
Has everyone recovered
from 2016?

It has been a jammed-packed year for Post events and business operations. My second term as your Commander has been a busy one without much stopping in 2017. From the hugely successful July 4th fundraiser, to Halloween, and throughout the holidays with our Christmas boat parade nights in the

Harbor, to ringing in the New Year with our Masquerade Ball on New Year's Eve, our members have enjoyed Post 291 more than ever.

Thanks to all who brought toys and needed items for the vets over the holidays. We always need to reach out to military families and Vets-In-Need as part of our mission statement, and all our members are very generous in their donations all year round.

With our event coordinator, Andrew Smith, teaming with Dennis Fitzpatrick, Operations Manager, the business side of the Post have seen higher sales with more banquet rentals being booked for private parties, life celebrations and weddings. Before a beverage or food is bought or served to you by an employee, it takes over \$80,000 dollars each month, in basic overhead, just to keep the doors open at our Post. With the size of membership, our location and marina amenities, running the Post as a business is critical to its future success. We are all volunteers but we also require paid support staff to run operations and to manage future growth.

Payroll, maintenance expenses, and food and beverage costs are additional expenses. We have dramatically increased our revenues this year by reexamining our costs of doing business, have no debt and have solid cash reserves.

The National Commander visit to Post 291 December 13 had a great turnout. We are on the national radar as the second largest in the country with the only chartered yacht club that everyone wants to visit. It was also an opportunity for 291 to showcase its Honor Guard National Champions posting the colors and to take the Commander on a cruise the Harbor.

Also, the luncheon for the 75th Anniversary Pearl Harbor Remembrance was a terrific event on December 7th with a very big turnout of WWII vets, Post and family members and friends. Thanks to the Auxiliary ladies who served the luncheon to all the vets. An important day to remember honoring those who served.

Thanks to all who made December so successful. We were busy busy every night. Dennis Fitzpatrick and Chef Ulisses worked tirelessly throughout the month to huge crowds for the five nights of the Boat Parade, Christmas Day Buffet, and the spectacular dinner and midnight buffet for the New Year's Eve party. And, most important, thanks to Tim Sullivan and the SALs crew for keeping a vigilant watch in the Post parking lot this past year and checking membership cards each and every time.

The hall will be repainted and the floor refinished coming up in the new year as part of our ongoing renovation. Also, January will be the American Legion Oratorical contest with high school kids competing for scholarships. It's an outstanding event to listen to them speak on some aspects of the U.S. Constitution. In the Hall on January 18 at 6:30pm.

Remember our mission statement of "Veterans First". If you love your freedom, "Thank A Vet".

"Veterans First". Attitude is the Altitude of Success at the American Legion Post 291. Let's all work together to make that happen.

For God and Country,
Doug Nye, Commander

New inductees into Post 291 January 2017 General Meeting.

2017 Membership Achievement Award at January's General Meeting.

★ ★ NATIONAL COMMANDERS VISIT DECEMBER 13TH ★ ★

NAVY 2nd VICE COMMANDER ROGER HENRY

The New Year . . . Every year at this time I take a moment to reflect on my accomplishments during the previous twelve months (2016) and then begin working on the next twelve months (2017).

There have been "One-Hundred-Forty-Three" events this past year that proved to be a success. We entertained our Members and Guests with twelve special events. One of which was highlighted by our very successful Frank Sinatra Night, scheduled on one of our regular

Friday nights. The performance and the crowds reaction was a good indication that we all enjoy something different from time to time at Post 291. We were well entertained by Tim Oates who has been performing as Frank Sinatra for several years and he did a good job doing many great Sinatra hits. Therefore, I will be planning several of this type of event for you in 2017, beginning with one of our popular SockHop in February and then doing a follow-up with an Elvis night sometime thereafter. I have done a lot of research on Elvis entertainers, and there are several, but not many that give a good Elvis Presley performance. You can look forward to having one of the best here at our Post.

With fifty-one Fridays, fifty-one Sundays, thirteen Thursdays, sixteen Saturdays and twelve Special Events (143) scheduled in 2016. Post 291 was hopping with Jazz, Rock'n'Roll and Country entertainment throughout the year.

The good news is we have our usual bands returning in 2017 . . . Z-Bops, Dave Alcantar, Daze of Blue, Full Spectrum, Outplay, Whiskey Hayride, Don Ross, Listen, Grumps, Joni Ross, Tracy Longstreth, Retros, Swingshift, Surftones, Shenanigans, Big Hassle, Velvet Thunder, FlipOut, Walter Lakota, Mike McKenna and Paul Eshelman. With many more waiting in the line-up and, as always, I'm previewing bands with some new ones coming like the "M Street" band now on their way to our stage.

Thank you all for participating throughout the 2016 year and I look forward to continuing with you, as your 2nd Vice Commander, through the next several months of the fun filled schedule of 2017. It has certainly been fun for me just watching all of you enjoy our Post activities. Please keep bringing your guests and continue to have memorable experiences with us. The bands that perform for us are all appreciative of your enthusiasm during their performances.

I am always listening to all of you when you make your suggestions for future entertainment so bring your ideas to the table and lets all work together to make this American Legion, Post 291, a fun filled experience again this year.

"See you soon",
"For The Good Of The Legion",
Roger Henry, 2nd Vice Commander

ARMY 3rd VICE COMMANDER SANDY SCHNEEBERGER

Greetings Post #291
Legion Family

We are starting the new year recruiting for our "Children and Youth Programs", which is one of the four pillars of the American Legion. Our first program held is the annual **Oratorical Contest** to be held on January 16th at 6:00 p.m. This competition is open to all high school ages freshman to Senior and consists of delivering a 8-10 minute memorized speech about the US Constitution and how it

impacts your life. The second speech is a 3-5 minutes on an assigned topic. There are four separate assigned topics and they are:

Amendment 7: In Suits at common law, where the value in controversy shall exceed twenty dollars, the right of trial by jury shall be preserved, and no fact tried by a jury, shall be otherwise re-examined in any Court of the United States, than according to the rules of the common law.

Amendment 10: The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people.

Amendment 16: The Congress shall have power to lay and collect taxes on incomes, from whatever source derived, without apportionment among the several States, and without regard to any census or enumeration.

Amendment 17: The Senate of the United States shall be composed of two Senators from each State, elected by the people thereof, for six years; and each Senator shall have one vote. The electors in each State shall have the qualifications requisite for electors of the most numerous branch of the State legislatures. When vacancies happen in the representation of any State in the Senate, the executive authority of such State shall issue writs of election to fill such vacancies; Provided, that the legislature of any State may empower the executive thereof to make temporary appointments until the people fill the vacancies by election as the legislature may direct. This amendment shall not be so construed as to affect the election or term of any Senator chosen before it becomes valid as part of the Constitution.

Department contest winners must be certified to the The assigned topics can vary and are selected the night of the contest. The assigned topic can change at each level of the contest. There are four levels of competition in California; Post, District, Area, Department. The winner of each level will advance to the next level. The Post winner will compete at the District Level on January 23rd with other Orange County Post winners and so on. The Department winner goes to compete with other students who have won the Oratorical Contests in their states. The winner receives scholarship money at each level with the top prize at the Department Level being \$5,000.00 and the National Level

top prize is \$18,000.00.

What makes the oratorical different from a regular speeches is that the candidate must memorize all speeches, they cannot use a microphone or a podium. The contest is you and the audience up close and personal. Theatrics and voice inflection are needed to move on in the contest. If anyone has a potential candidate you would like to recommend or if you have any questions please contact me directly. I also encourage you to go to the National Web site at legion.org/oratorical and read about the contest and its criteria. You can also see YouTube videos of contest winners from years past. The contest embodies the best brightest in youth to strive for excellence.

The second program I will be recruiting for is **Boys State**. This is a summer camp at Sacramento State University paid for by the post and held in late June. The criteria is as follows; must be a high school junior only, must be in good standing with their school, must be recommended by their school or a Legion Family Member and have a desire to attend Boys State. Once screened the candidate must participate in a panel interview with other Legionaries at the post. The candidate is asked various questions from current events to telling us about themselves. The candidate is graded from on a scale from 1-10 by the panel and the top candidates are selected to attend on behalf of our Post. If you are not familiar with Boys State again you can look it up by going to www.boysstatecalifornia.org. Student who attended Boys States have become very prominent people in our everyday lives. Just do a Google search on Boys State Alumni and the list will probably astound you. Again if you know of any good strong candidates please contact me at sandys@sanberg.com.

Americanism is another pillar of the American Legion that falls to the 3rd Vice Commander. Americanism is in our Preamble and as a Veteran or Legion Family Member you should be exhibiting Americanism every day. Last year, our 3rd Vice Commander Ken George challenged everyone to perform a random act of Americanism daily. I think is this challenge should continue with our Post - as Veterans and Americans we have a duty to uphold our Constitution and the principles it was founded on; freedom and democracy. This year more than ever our citizens need to be reminded of the foundational principles of our great nation. Continuing this challenge in 2017, I ask everyone to pledge to endorse, encourage, and support Americanism, in your home, workplace and beyond. The Legion's Children and Youth Programs can be part of that outreach. These programs not only impact the participants, but their families, schools and their community. Our youth are worth the investment of time and resources. Come join and support these programs by volunteering. You will be inspired and confident that we can influence the future through investing in these programs. If we don't teach our youth about Americanism, who will?

Sandy Schneeberger
3rd Vice Commander

Newport Harbor Post 291 ORATORICAL CONTEST

Monday, January 16, 2017 at 6:30 pm

*Support Americanism
and our best and brightest high school students

or contact Sandy Schneeberger at
sandys@sanberg.com or cell: 310 560-5400.

AUXILIARY PRESIDENT CAT KATZ

December is the busiest and most gratifying month of the year for Auxiliary Unit 291. We all get to remember how grateful we are for all the freedoms we enjoy courtesy of our Veterans.

We visited Stuart Mesa Elementary School located on Pendleton Marine Base to check out the Auxiliary's donation of Ozobots which help students understand programming logic. It

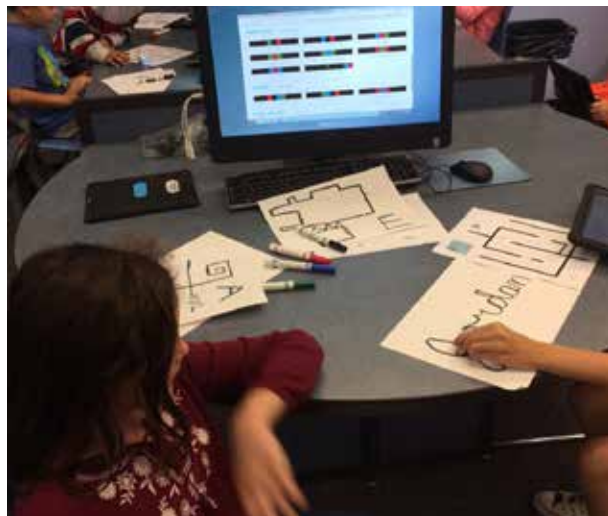

was so wonderful to see our military kids flourishing in such a beautiful facility.

The Post Children's Christmas Party was a fabulous success with many toys donated, Santa with Mrs Santa arriving via yacht along with crafts, fun and, of course, pizza. These toys traveled to the Long Beach VA Hospital's Pantages Theater to thrill kids whose holidays were not expected to be as full as we are all accustomed to having. We also adopted four families and enriched the toy drive bank for Military Childrens Charity.

Thanks to so many of you, along with the Legion Family members, donated pjs for Operation Pajama distributed to STEP and Strong Families, both wonderful Military family support groups.

Our next General Meeting is on Wednesday, January 18th at 6:30pm, with guest presiding officer, Past President Kendall Madsen!

COMMODORE MIKE BERDINE

Ahoy . . .
From the Commodore.

On behalf of the American Legion Yacht Club Bridge, I hope you all had a Merry Christmas and enjoyable Holiday Season. Looking back at last few weeks, the ALYC Dive and Snorkel Club held their Holiday Party in the Main Hall of the Post November 30. The turnout was good and, by all accounts, all the members and guests

had a great time.

Turning to the future, the ALYC has a full calendar of events planned for the year starting with the Commodore's Ball on Saturday, January 21. This event has sold out in the past and we expect it will again this year, so make your reservations early. You can make your reservations through the ALYC website.

We also encourage you participate as many of in the activities that we have scheduled for this year as you can. Feel free to attend any of the monthly board meetings. And remember, our general membership meetings are a great way to connect with your fellow ALYC members, gain some on-the-water information from the meeting presentations and enjoy a potluck meal. Our calendar starts to get busy in February with raft-ups and cruises, ocean and harbor races, the ALYC Opening Day celebrations, the Youth Sailing Program, the 4th of July Old Glory Boat Parade, fishing tournaments and Dive and Snorkel events. The full calendar can be downloaded from the main calendar page of the ALYC website. And, during the year, be sure to check the online calendar in the ALYC website for the latest information.

The ALYC Quartermaster, Joany Berdine, has worked on the launch of the Quartermaster Online Store for several weeks. It launched December 19, with ALYC ball caps, T shirts, burgees and ladies 3/4 sleeve V neck shirts as the first offerings. Joany says she will be adding items to the website over the next several weeks, so be sure to visit the Online Store regularly to see what's new.

Thanks you for the opportunity to be your Commodore in 2017. I'm looking forward to working with you to grow our club and make all of the Yacht Club activities the best they can be.
