ARMY

COMMANDER DOUG NYE

Comrades,
Post 291 ushers in the new 2017-2018 command year. Elections were held May 10 and thank you all who came out to vote and support the Post. Congratulations to the new officers and Executive Committee who will all do a great job this coming year. Congratulations to Tim Sullivan, new Commander of Squadron 291 SON's who has a great year lined up with his

concierge team for parking and security for our Post. Welcome all the new Auxiliary officers and also wish them a successful year ahead.

Congratulations to Post 291 Honor Guard Commander Brian Fleming Jr, and his competition team who, once again placed First at the American Legion Department of California convention held in Riverside the last weekend in June. They now go on to compete at National in August to retain their first place title as the best Honor Guard in the nation. Way to go guys!

As I start my third term as your Commander, my 2017-2018 goals are as follows:

- (1) VETERANS FIRST. Our veterans will always be our # 1 priority at Post 291
- (2) Create new events for our veterans and continue raising money to donate to their needs
- (3) Continue recruiting our younger veterans for they are our Future Legionnaires who will continue our legacy and represent the legion's future
- (4) Put programs together so our younger Veterans can get involved to reach these goals

We need to work together as a team at 291 to accomplish these goals. To do this, as Commander, I will have quarterly meetings with the other Legion commanders: SON's Commander, Auxiliary President, and Yacht Club Commodore to establish a open relationship with family Members so they too understand the direction the Post is going.

We are a very large Legion Post, therefore, have policies & procedures in place that are different from others because of our vast membership roll of 7000 members within the Legion family. My goal is to continue to run this Post in a positive direction. I have a fiduciary responsibility to protect the health, safety, and welfare of all the members.

July 4th was another huge event at the Post. Thanks to all the volunteers that made it so successful. All our members really helped our donation goal for the 2017-2018 year. With your generosity, this event helps support the American Legion's Boys State program, VA Hospital visits, plus many veteran, community, and youth programs. Visit al291.com for all the programs that Post 291 fosters. Helping your Post to help others.

Anyone wanting to volunteer for future events, whether to plan, decorate, or work in some capacity, sign up at the Front Office with your email or phone number to have on hand when needed. Check the website for more information regarding our Summer events like Jazz Nights and our WW2/ Korean War Vet lunch held July 27 honoring all our vets who served in those theaters.

Thank you for your patience and support as I get rehabilitated on my new knee after replacement surgery in May. Physical therapy has been ongoing but I feel much better without pain. Looking forward to getting back and walking around the Post.

Remember our mission statement of "Veterans First". If you love your freedom, "Thank a Vet". Our commitment to all veterans, our members, veterans' programs or veterans-in-need alike, will reflect in all we do as we strive to honor all who served. The Post is not a "Club", but an American Legion Post for Military Veterans who share common experiences. The Security staff is made up of SONs who are SONs of the Post. Please show respect to the Post, Volunteer Security staff, all veterans and guests.

Let's have a great year. If you haven't noticed, I speak with the word WE not the Word I.

If we work with the positive attitude and team work needed, we will prevail in being the proud and best American Legion in the country.

Attitude is the Altitude of Success at the American Legion Post 291. Let's all work together to make that happen.

For God and Country,
Doug Nye, Commander

Boy's State Delegates from Post 291 for Boy's State 2017 held in June at Sacramento State University. Congratulations to Ryan Long who goes on to Boy's Nation, Post 291's first ever delegate selected to represent California in DC. This is a yearly program spearheaded by our 3rd Vice Commander, Sandy Schneeberger. Thank you Sandy for an outstanding job.

First Place. Post 291 Color Guard Competition Team at Dept. of CA Convention, June 2017. We continue to be the 'Dept Commander's Color Guard'.

AUXILIARY PRESIDENT CAT KATZ

Our Auxiliary year begins July 1st with our newly elected officers (check the first page for list) all looking forward to a productive year of enhancing the lives of our active duty and veterans. Memorial Day was a beautiful remembrance of those lost fighting for our many freedoms. It is the privilege of the Auxiliary to get out in our community to help military families, members and veterans.

At this magazine's printing time your Girls State delegates will have created their own government at Claremont McKenna College to learn life lessons in how our cities, states and nation function. These young women will be among our future leaders so we are very proud to have sponsored this experience. Our own Kendall Madsen is once again official photographer for Girls Nation in July in Washington DC. She always makes us proud!

Many thanks to all who participated in our Troop Shipping project whether through donation or packing! These packages are so appreciated by the folks (and Canine Corps) overseas. It is hard to imagine how much a little bit of home brightens up the day of those who are working so hard and placing their lives at risk for us while we are here at home enjoying holidays. Without their service life would be quite different for all of us.

We are looking for donations of back to school, fun and/or useful, items for upcoming deployment events for kids with parents going overseas. Also need donations of baby items for a baby shower at Los Alamitos JFTB. Our Children & Youth box is right next to the Troop Shipping box in the View Room by the bar—it waits for your help!

Our unit has open program Chair and committee positions so please let any of us know what interests YOU. You might even get together with a friend to co-chair a committee. Everyone is busy but we ALL have a little time to help in some way. More information is available at the website ALA291.com under the Auxiliary Programs tab but please approach any Auxiliary officer or Chair for help or questions.

If you shop at Ralph's, please choose American Legion Auxiliary Unit 291 as your Community Rewards organization. Just go to www.Ralphs.com/community to login or create to your account to record your preference. The Ralph's organization will donate directly to your Unit when you shop!

Please join us at the next General Meeting on Wednesday, July 19th at 6:30pm.

With your help, supporting our Legion Family,
Cat Katz, President Unit 291

Our Poppy Girls at Castaway Park Field of Honor

Member of the Year Bea Foster

Girls State Candidates 2017

SAL COMMANDER TIM SULLIVAN

Well, this is it. We are starting a new "Legion" year and I can't be more excited. At the American Legion State convention last week I officially became the Commander of the Sons of the American Legion for Post 291. I'm humbled, honored, and excited to get started. Those of you that know me, know that I have a two legged mission; raise money and use it to help Veterans. As the largest Sons Squadron in

the United States, I feel a responsibility to me innovative and to lead.

Technology will be a big part of that. I'm hoping to get our website enhanced to be able to pay dues online and perhaps even in payments. We're investigating the options and limitations. I'm hoping to have the module activated soon that allows us to introduce our Dad's and tell a little about them, as a way to get to know each other better. I love hearing the stories from proud son's about their fathers and why they honor them through our organization. In the meantime, I'd love to include those stories in my emails, so send them to sullyt64@yahoo.com. We are hoping to create some Son's and Post 291 specific shirts and caps. If you have any ideas, contact me and show them to me. It takes all of us.

Why do I do what I do? I do it because I love my Dad and the Veterans that have marked my life. Be it George Banash, my High School next door neighbor and SEAL from Viet Nam era, or Senior Master Sergeant Michael J. Timmons, my High School advisor in the Mater Dei AFJROTC program. These great strong men have helped to shape me into who I am today. I do it for my nephews, one who is an Iraq Veteran and one who is still in the Army Corps of Engineers and has served in Iraq and Afghanistan. I do it for my AFJROTC buddy, Bill Bonzer, a retired Green Beret who served in Kosovo, or my buddy, Tony Henson who served as an Air Traffic Controller in the Navy. I've been surrounded by Veterans my entire life. I love them. I honor their service. My service is the least that I can do to thank them for theirs.

In saying that, I think that we have a unique opportunity to do something very special. I'm sure that we have a rich history of events and support for programs that do great things for Veterans. I'd like to establish a few of our own. One, which many of you have already heard about, is our Hook and Cook Veterans fishing trips. I can't begin to express the profound impact our first event had on my life. Our Gulf War, Iraq, and Afghanistan Veterans were so appreciative of the chance to get back together and they really opened up about issues that they are facing. They needed to get away and for several, our trip came at the right time. They shared anguish and issues that they were facing and thanked us repeatedly for providing them the chance to get together and blow off steam. We did it right. We took them fishing in the morning, barbecued the fish on the grills at the Post in the afternoon, the fixings were provided by Ulyses and Dennis in the kitchen, we had Crossfire as a band, we even

had a Patriotic balloon in the park thanks to Bruce Schoenberger and Chuck Gayton. I couldn't have done it without those guys. Seth Randall came along and was so great with the Veterans on the boat. What a great heart that guy has. I was impressed by all who participated.

This is a TEAM effort. I need ideas and input from everyone. What other things can we do, HANDS ON, to work with and help our Veterans. What events can we throw? Do you know how to throw fundraisers? Golf tournaments? Many expressed an interest in a sports day in the park. Can you lead a team to bring back some of our past successful efforts? Get involved. Now is the time. We have manpower and resources that we haven't even touched yet. One of us can do great things, but together, we are unstoppable. We just have to keep our focus on the Veterans. There will be distractions, politics, disagreements, etc., but the end of the day, we have to focus on the lives we can affect and save. We may never know how deep an impact that we have, but if we help one guy live another day, we've done a good thing. Looking forward to working with you!

Tim Sullivan
Volunteer
My Father's Son
Commander

COMMODORE MIKE BERDINE

Ahoy!

We are in peak boating season and your American Legion Yacht Club has hosted several events over the last weeks and is planning a calendar full of surefire entertaining future events.

Our May 7 Opening Day was well attended and a fun-filled party. Dennis, Uly and the Post staff once again presented a great meal, and our volunteers made sure all of our guests felt special. My thanks to

all who helped make the day a success.

The ALYC Summer Sundowner Race Series started May 8. The races and post-race ceremonies, dinner and slide shows have been popular again this year. Like all ALYC activities, the Sundowner volunteers make things happen. Thanks to Dan O'Sullivan for being the PRO, Neil, Allan and Leonard for lending us boat support, the Race Committee members for officiating and the ALYC SeaGals for all the Monday night general support.

Our June General Membership Meeting presenter, Retired USCG Master Chief Boatswains Mate Ronald Mealey, literally kept us in knots for the better part of an hour. Ron started the evening by passing out a dozen or so lengths of line to audience members and then gave us a knot tying class, all the while speaking about some of his Coast Guard experiences. All this made for a memorable and entertaining evening.

June 11 marked the first Fishing Tournament of the season. Dan O'Sullivan again made sure all the attendees had a good time. We have two more tournaments scheduled this year in September and November. ALYC members and their guests are invited to sign up through the ALYC website calendar pages when registration opens.

Our next cruise will be to Alamitos Bay August 4 through 6. The Alamitos Bay Cruise offers some top notch dining options, so save the date and join the fun. Like all of our cruises, you need not arrive by boat to attend. Drive up for a couple of hours or book a hotel room and stay for the weekend. Club members can register through the ALYC website.

The next ALYC Dive and Snorkel Club meeting is June 28. Craig Gelpi is the Chief Scientist and founder of Catalina Marine Society. He will be talking on the effects of Ocean Acidification on sea life in our waters.

Our next General Membership Meeting is August 10, and you don't want to miss it. It will feature a showing of Sense the Wind: Blind sailors race across open water. This hour-long documentary will be followed by a Q&A with NY based Producer/Director Christine Knowlton. Six years in the making, Sense the Wind, follows the journey of four blind sailors as they train and compete in national and international regattas. The ALYC will hold this meeting in cooperation with the Womens Sailing Association Orange County, one of our partners for the October Sailing for the Blind and Visually Impaired event.
